This application will be considered pending until all of the above necessary information as determined by the health officer or his designee has been provided by the property owner or his/her agent to the local health officer or designee. Completion of this application will not guarantee the issuance of a permit.

I hereby agree that as consideration for the issuance of a permit for the construction of a commercial sewage system as provided by the Spencer County Health Department Ordinance 1998-7 and Bulletin S.E. 13, which regulates commercial sewage systems that I will subscribe to and abide by the regulations governing the same.

I fully realize the penalties established for the violation of any provisions of Ordinance 1998-7 and Bulletin S.E. 13, I will notify the Spencer county Health Department for inspection and approval before covering the earth.

I fully acknowledge and agree that the Spencer County Health Department has made no representations as to the existence or non-existence of a commercial sewage system in the area of the above described property and the responsibility for determining the availability of these services is left to the applicant.

\_\_\_\_\_, I, the owner of the above listed property agree to assume all responsibility for the proper installation, maintenance and operation of the system.
